NED BRIMSTONE

What is cowboy action shooting? It is the most legal fun a person can have. We dress up like cowboys and put our skills with period correct firearms to the test on different setups, usually using 2 handguns, rifle and shotgun on most stages. I have been fortunate to meet some very interesting characters over the years, some who have become great friends.

For me I have found the people are friendly, more willing to lend you the secrets to their success, or a firearm if needed. It is not a secret society like some of the other shooting sports that I have belonged to. (It's the Cowboy Way) share and have a good time.

Over the last 10 years I have shot in 8 Regional Championships in the U.S. as well as every major match in Ontario, which is growing all the time.

My personal guns are 2 Rugers in 44-40, an 1873 Winchester (Uberti) in 44-40, an 1897 Winchester in 12 ga., an 1887 IAC lever action 12 ga., an 1885 Uberti High Wall in 38-55 and a Pedersoli Sharps in 45-70.

I believe the best way to experience the game is come out and try it for yourself, you won't be disappointed
