RAWHIDE

My heroes have always been Cowboys” I have participated in Cowboy Action Shooting since it began in Ontario in 1985.

There are now over a dozen clubs offering Cowboy matchers in Southern Ontario and I have enjoyed matches at these clubs as well as state and regional championships in the USA.

I enjoy the camaraderie, the period clothing and especially the adrenalin rush of fun & friendly competition. There is no pressure to perform at Cowboy matches. The only concerns are for everyone to be safe and have fun. However, if you enjoy competing “I’m your Huckleberry”.
